Community Reviews for this School

Not only is the staff incredibly welcoming and kind, they are also extremely accommodating. Teachers and staff are always there to help with anything whether it's rush sending transcripts, adding classes, or any other request. The teachers are understanding and are some of the kindest people I've ever met while also very encouraging and motivating.

Vineyard Alternative allowed me to learn how to balance my life as well as school work. I was able to become connected with my teacher and work towards my goals. This school has given me confidence and time management skills I need to succeed as well as working with me to benefit my success.
